**NOTICE OF CHANGE IN SMALL ENTITY STATUS AND STATEMENT**  
**PURSUANT TO 37 C.F.R. §§ 1.28(b), 1.28(c)**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The Assignee of the above-identified U.S. patent application hereby notifies the U.S. Patent and Trademark Office that it believes it does not qualify for small entity status. Assignee hereby requests that small entity status be revoked. In an abundance of caution, Assignee encloses herewith a check in the amount of \$634.00 to cover the differential for all past fees paid as a small entity. If this amount is insufficient to cover said differential for all such fees paid, please charge Deposit Account No. 13-2725 for the unpaid amounts.

Pursuant to 37 C.F.R. § 1.28(c), Applicant hereby states the error occurred in good faith and was discovered in a telephone conference between the assignee's general counsel and the undersigned within the last two to three months.

The error occurred as a result of miscommunication. The undersigned was not aware that various aspects of the assignee's technology were licensed to at least one company not qualifying as a small entity, and the "Small Entity" form was interpreted by the signatory as not addressing

such a licensing situation. Consequently, neither the undersigned nor the assignee's signatory was aware of the discrepancy until the above-referenced telephone conference.

Please direct any inquiries regarding this communication to the below-signed attorney.

Respectfully submitted,

MERCHANT, GOULD, SMITH, EDELL,  
WELTER & SCHMIDT, P.A.
